

FREE TREATMENT: If you are on holiday or visiting from overseas, you may be able to receive treatment from our doctors **free of charge**:

- if you need emergency treatment
- if you carry a European Health Insurance Card you will be eligible for free medical treatment for conditions that need immediate treatment during your trip
- if you carry an EU Form E112 you will be eligible for free medical treatment of the condition specified on the form

PRIVATE TREATMENT: However, **you will be charged** if:

- you need non-emergency treatment

If you are treated privately, fees for the initial basic consultation will be £25 and thereafter will depend on the nature of the condition and treatment given. Any prescriptions given will be private and the pharmacy will charge you according to the medication prescribed.

Please take this form to the doctor, who will decide whether you will be treated as a private patient or on the National Health Service.
